

IN THE DRAWINGS:

Please amend Figures 1 and 3 as shown in the enclosed replacement sheets. Also, a separate letter to the Official Draftsperson is enclosed. Figure 1 was objected to because it did not include reference numeral 14 and 15. These reference numerals have been removed from Figure 1. Further, Figure 3 was objected to because it should be designated by a legend such as "Prior Art." Therefore, Figure 3 has been amended to include the label "Prior Art." No new matter has been added by way of these amendments. Accordingly, withdrawal of this objection is respectfully requested.
